Mr. Kelly Jacobson, Principal

Mr. David Griffin, Vice Principal

Dear Parents/Guardians,

November 26th, 2020

We hope this letter finds you well as you are processing the most recent COVID updates from the government we received on November 24th regarding K-12 schools and our new health measures. There have been many changes that you have gracefully adjusted to during the pandemic and this will be just one more for all of us.

Here is some important information for our entire school community:

- We ask that parents ensure that they are completing the [daily screening](#) of their children prior to sending them on the bus or dropping them off at the school.
- **Wearing masks** continues to be mandatory for all Gr 4-6 students at this time.
- Our school will remain open.
- At this time, our support staff will continue to support our students.
- **Pre Kindergarten - Grade 6** students will continue with in-school learning until December 18th. **(Please note Dec 18 - Jan 4 inclusive is Christmas break)** They will move to 'teacher directed' at-home learning from January 4th until January 8th. On Monday, January 11th they will return to Scenario 1, which is face-to-face learning, on Monday, January 11th, 2021. Bussing will continue.
- **Our Grade 7 - 9** students will move to at-home online learning effective Monday, November 30th until January 8th. **(Please note Dec 18 - Jan 4 inclusive is Christmas break)** They are scheduled to return to Scenario 1 which is face to face in-class learning, on Monday, January 11th, 2021.
- Class expectations for our Grade 7 - 9 students: students will be expected to be part of their google classrooms and complete daily assignments/learning activities as provided by the teachers. To be clear, this might look different in each class with optional google meets, or requested attendance with small group work. The teachers will communicate with you as to the schedule for synchronous and asynchronous learning.

Again, we thank you for your support and for working alongside us at this uncertain time. The safety of our students and staff will continue to be a priority as we take our direction from the Alberta Government, the Chief Medical Officer, and our Superintendent.

As always, please do not hesitate to ask questions or reach out. Our school office will continue to be open for any phone calls and inquiries. We will continue to seek the guidance of God as we navigate these unprecedented times.

God Bless
