

WORKING TOGETHER SO ALL KIDS CAN PLAY

Dear friend(s) of the Innisfail Campus Playground

The Innisfail Campus Playground committee is seeking financial help in the form of grants and donations from a number of sources and we hope you would like to be a part of this important project for the the Innisfail Campus Playground project. There are currently over 1000 students enrolled at the Innisfail school campus and the playground serves many more children in the community.

Our Innisfail Campus Playground committee is in the preliminary stages of replacing its playground equipment since it was taken down in the spring of 2021. The Parent Councils of St. Marguerite Bourgeoys, John Wilson and Innisfail Middle school have launched a playground committee to begin the planning, design and fundraising campaign. We are working with the Blue Imp playground group and have a tentative design goal of raising \$300,000.00. Any funds raised would be leveraged to attain matching grants once we have significant seed money in place. At a school level we have begun fundraising efforts with a variety of projects. We are working in partnership with Innisfail Bottle Recycling so families can donate their recyclables.

The attached sponsorship information outlines how your family, business or corporation can assist with our fundraising efforts and in turn how recognition for your support will be highlighted. Tax receipts will be made available to all funds over the amount of \$20.00 and all cheques can be made payable to the school division you are sending your donation.

It is our hope that you would consider donating to our cause in order to benefit our school and surrounding community. Please find information about our donation and sponsorship levels attached. We appreciate your consideration and would love to have you join us as a key partner for community and school enhancement.

The students, families and community of the Innisfail School Campus sincerely thank you for your consideration to our cause and if you have any additional questions please contact the playground committee.

Many thanks,

Innisfail Campus Playground Committee
